## Rocking Duck Craft Project

### Supplies needed:

Paper to print template

Scissors

Crayons and/or markers

Glue

### Instructions:

Color the duck's head, tail and the two circles on the template.

Cut out the duck's head, tail and the two circles.

Glue the small circle in the middle of the bigger circle.

Fold the two circles in half to create a crease.

Unfold the circles and glue the duck's head on one side, just under the crease, and the tail to the other side, just under the crease.

Fold the circles again.

Now you have a rocking duck.
