### **Section 9.09 Required Findings for PERRC Approval**

The Zoning Commission and Trustees may approve an application requesting that property be included in the PERRC zoning district, provided they find that the proposed use complies with all of the following requirements:

- 1.) That the proposed development is consistent in all aspects with the purpose, criteria, intent, and standards of this Zoning Resolution.
- 2.) That the proposed development is in conformity with the comprehensive plan or portion thereof as it may apply.
- 3.) That the proposed development promotes the health, safety, and general public welfare of the township and the immediate vicinity.
- 4.) That the proposed plan meets all of the design features required in this Resolution.
- 5.) That the proposed development is in keeping with the existing land use character and physical development potential of the area.
- 6.) That the proposed development will be compatible in appearance with surrounding land uses.
- 7.) That the development promotes greater efficiency in providing public utility services and encouraging innovation in the planning and building of all types of development.
