Dear Gracious Supporter,

The Andra Heart Foundation is excited to announce our second Andra Heart Foundation Audrey Hepburn movie night. This event is presented by the Andra Heart Foundation at the Fox Tucson Theater. We will be showing *Funny Face*, an uplifting Parisian romance with amazing style and flair. The movie event will be July 7, 2017, at 7:30 in the evening.

Funds from the event will support our mission's activities, including education and cardiac screenings and support of the Tucson community. In 2017, we screened over 500 students for hidden cardiac conditions, supported student and leadership activities in the Flowing Wells School district and have launched a new heart healthy initiative installing water bottle filling stations in the Flowing Wells School District.

To assist us in supporting the Andra Heart Foundation and the Tucson community please consider:

1. **Sponsoring** the Fox Tucson Theater event. See details attached.
2. **Attending** the Fox Tucson Theater event. AUDREY HEPBURN. FUNNY FACE. Buy tickets, or sponsor at www.andraheart.org

To date, the Andra Heart Foundation has provided over 3,000 students in Tucson, and Eastern Washington State with free or reduced cost Electrocardiograms to detect hidden heart conditions. We have provided support, training and equipment to families with detected heart conditions. We have provided over 20 Automatic Electronic Defibrillators to schools and athletic facilities. We have supported more than 50 students with school activities and general support, who may not otherwise have been able to expand their horizons by seeing the world.

We are working on more good works for the future, and are grateful for your help.

With Andra Heartfelt thanks,

Jenine Dalrymple, President of Andra Heart Foundation
