

# *O.R. Casa de Campo*

La Romana, Dominican Republic

February 22 – March 1st, 2027

## **Event Details:**

Charlie & Barbara Augone have agreed to sponsor an Ocean Ridge Golf Trip to the Dominican Republic. The trip will be organized by Scott Doane & Bob Smiley who run Golf and Adventure Travel Expeditions and is set to take place February 22 - March 1st, 2027. We will spend a week at Casa de Campo, widely recognized as the number one golf resort in the Caribbean. We have taken several Ocean Ridge groups there in past years and participants have really enjoyed it. All participants will receive Elite Patio Rooms which are spacious and comfortable and an upgrade over the resort's entry level rooms. We encourage you to register early as we have a limited number of rooms and expect this sell trip out.

Once again voted The World's Leading Golf Resort, Casa de Campo is a golfer's PARADISE! Casa de Campo is a beautifully maintained property with a gorgeous beach, lovely pool area, excellent restaurants on site and at Altos de Chavon and the Marina. The resort is so big, they give you a four-person golf cart when you check in so you can get around on your own. ## **Golf Course Information:**

### **Teeth of The Dog:**

Pete Dye's signature golf course, Teeth of the Dog® has a reputation that's well deserved. Meticulously hand carved from the rugged rock and coral of the Dominican coastline, the hard-fought and challenging creation of Teeth of the Dog® is an apt description for what playing a round can be like. The course is brimming with stunning natural landscapes, historical undertones, and the chance to play your best game yet. Ranked first in the Caribbean, this golf course in paradise should be on every golfer's bucket list. Don't settle for less when you have the opportunity to play on the best.

### **The Links:**

Another Pete Dye creation, The Links was completely overhauled in 2012 to make it every bit as challenging as the other courses at Casa de Campo. Reminiscent of traditional links courses typically found in the British Isles, these 18 holes wind through the interior of Casa de Campo and offer spectacular views of the Caribbean Sea and the Resort grounds. And even though The Links course might not be right beside the ocean, there's still plenty of opportunity to go to the beach—no less than five holes feature water hazards. Rolling hills and ocean views offer an unique and fun golf experience.

### **Dye Fore:**

Picturesque Dye Fore, Pete Dye's latest addition to Casa de Campo golf, was completed in 2005. The golf course is known for its large elevation changes, which lead to many blind shots. The numbers are staggering: 7,740 yards in length from the back tees, seven cliff-side holes dropping 300 feet to the Chavon River below, 40 miles per hour gusting winds and breathtaking 360-degree views. Fairways are very generous, and the greens are large but many have slopes, bumps and several tiers. No. 12 and No. 15 are considered two of the finest par-3 holes around.

**AIR FARE IS NOT INCLUDED AS PART OF OUR PACKAGE**

Please consider making flight reservations early, as flights tend to fill up quickly. The airlines normally allow you book about 10-12 months in advance.

You can fly to:

- La Romana (LRM – 10 minutes from Casa de Campo)
- Punta Cana (PUJ – 50 minutes from Casa de Campo)
- Santo Domingo (SDQ – 75 minutes from Casa de Campo)

Once you land and pass through customs your driver will be waiting with a sign that has your name on it and will drive you to the resort.
