

COLLAGE WORKSHOPS

This is your chance to get creative and make something arty!

During this two-hour session you will be gently guided into making a unique piece of art using a variety of materials such as magazines, paper and fabric. Paper can be torn or cut, and it does not need to be perfect. The idea is to make something that is pleasing to you. Each week we will have a different theme but that doesn't mean you have to follow it; you can go in a completely different direction if you so wish.

All materials will be provided, but please feel free to bring along any items you would like to use. Refreshments will be provided too, please do let me know if you have any particular dietary requirements.

Booking is essential as is pre-payment of £10 for each session.

Workshops will be starting weekly from the week beginning 1st September.

If there's enough interest, I'll start Monday 1st 2 – 4pm in your village hall.

I hold a Fine Art Degree from Arts University Plymouth and attended the Plymouth Collage Collective for a couple of years, so I have lots of experience in making.

I look forward to seeing you soon. Donna
