

Capability Statement

1240 PERFORMANCE, LLC

1240 Performance, LLC is a highly qualified emergency management and preparedness consulting firm with over a decade of specialized experience utilizing National Incident Management System (NIMS) and Incident Command System (ICS) in a disaster field environment at a national, regional, and state level. Our professionals conduct thorough analysis of existing doctrine and emergency operational procedures and plans to identify gaps and complexities to create Purposeful training and exercises. We have vast experience in and executing multi-tiered, multi-jurisdictional for multiple private and public sector clients both domestically and internationally. 1240 is dedicated to helping government agencies, as well as the private sector, plan for, respond to, and recover from All Hazards and in assisting your organization in achieving yours and our Nation's homeland security mission.

Core Competences

1240 supports the full spectrum of Homeland Security & Emergency Management Solutions with particular expertise in:

- ◆ All Hazards Preparedness
- ◆ Operational, Mitigation and Catastrophic Planning
- ◆ Emergency Management & Operational Response Doctrine and Guidance
- ◆ Operational Qualification & Certification Program Development
- ◆ Training and Exercises
- ◆ Continuity of Operations and Business Continuity
- ◆ Resiliency
- ◆ Risk Assessment and Management
- ◆ Disaster Response and Recovery

Differentiators

- ◆ Our team of professionals has relevant and historical experience working in leadership positions at the Local, State, and Federal levels as well as in the private sector.
- ◆ We utilize knowledge and skill in applying emergency management authorities, planning initiatives, directives, policies and regulations applicable to disaster operations such as: the National Response Framework (NRF), the Incident Management Handbook (IMH), and the Presidential Policy Directive 8 (PPD-8) to evaluate participants in both discussion-based and operations-based exercises.
- ◆ Whether your project is large or small, 1240 can provide the innovative and expedient solutions you need to get the job done right.
