SPEED BUMPS: Twitter for Adults

In the spirit of *Do Business Faster™*, here's a new way for you to get powerful, pithy help to speed you on to better business results.

SPEED BUMP: A fast idea offering powerful results if you'll try it.

We use Twitter because it demands a quick focus—something all of us (including me) can improve on. It's simple to get started, and it's free!

To follow me on Twitter, just click on this link <https://twitter.com/grewj> and then click the Follow button.

If you don't yet have a Twitter account, don't let that stop you. It takes less than a minute to sign up, and you can do it right there on my page.

Please contact me with your ideas, including suggestions for a SPEED BUMP or a topic to explore in *Do Business Faster™*, my weekly Executive Letter. If you'd like to receive *Do Business Faster™*, please e-mail me: jim@grewco.com
