Mike avoids the big number and wins by 6 over Bruce. We played in 3 1/2 hours and beat the rain and the grim forecast. Shots of the day - We started on the back - our 10th hole - Ed thought he lost his second shot in the trees - it was right near the cart path - he proceeds to knock his 3rd shot to 2 feet for the only birdie of the day. On our 13th hole Bruce is long left of the green, dumps his second shot into the greenside bunker then holes out for 2 sandys. Mike thought he lost his 7-wood while we were playing our 15th hole - proceeds to call the proshop and ultimately finds it in Bruce's bag. Just a bit less drama than FT earlier this summer. Plenty of trash talk and laughs.
