Hi, my name is Torii.  
Today I am outdoors in my favorite place to be - the woods!  
I'm a curious dog who loves to go exploring. I like to go on adventures in the spring, summer, fall, and even winter! Finding animal friends in the forest and new smells to sniff make my adventures really fun! My family comes along and likes to take pictures of me. They even made me a photo album of my very own so I can share all the fun I've had. I am looking at it right now.

Come and look at my photo album with me!  
You can see a cute little surprise I got from  
my family and other fun pictures from one  
of my fall adventures in the woods.

5 One fall day my family left in the car. When they came back later that day, they had a surprise for me! It was a new puppy named Marli!

6 Marli likes her new home and we get along great!  
It's fun playing together, but...
