MEET THE BOARD

Kim Hughes is our Social Chairman. She was born in Michigan and began skiing in High School at a little place called Pine Knob which she says "seemed enormous at the time". After her marriage to Jim, they tried some eastern ski areas, then in 1993 they took a trip to Utah and said goodbye to icy crowded skiing forever. Kim has lived on Hilton Head for 30 years and in Wexford for 21 years. She loves to travel and has been to all 50 states and 70 countries and is "still counting". She loves to read and plays mah jongg as well as many card games. She enjoys the Arts as well, attending both Arts Center and Symphony productions. A member of The Ski Club since 2010, she is new to the Board and as Social Chairman, she sets up our Friday night get-together's each month. Thanks Kim!
