Project Rachel

Project Rachel is a healing ministry for those involved in abortion. This loving, non-judgmental ministry takes an integrated approach to heal after abortion. It requires a team of trained, loving, caring, and gentle priests, religious, counselors, and laypersons who can help show the love, forgiveness, and mercy of God and the power of hope and healing. The Diocesan Project Rachel Ministry needs volunteers to pray, become trained, help offer support groups and retreats and work with clergy to promote and spread the word about this healing ministry to those who are suffering from the aftermath of abortion. If you would like to learn more about ways you can help with this important ministry in the diocese, email crystal.painter@dioslc.org Learn more at: <https://www.dioslc.org/respect-for-life/hope-and-healing-after-abortion>
