

EXPERT DEWATERING INC!

Expert Dewatering Inc.

Company Overview:

Expert Dewatering Inc, established in 2013, is a turnkey dewatering company that provides consulting, construction project support, system design and installation; operations and monitoring. We are well versed and knowledgeable in every aspect of construction dewatering. We pride ourselves on our quality service, innovative ideas, relentless dedication...and our reputation. At Expert Dewatering, we recognize that WATER IS A 24 HOUR BUSINESS! This is why we take unmeasurable steps to ensure our contractors receive the dedication and service required to get the job done. Roger Freeman, one of the key owners of EDI, has over 40 years of hands on experience in the dewatering field. Mr. Freeman was responsible for the design and development of several dewatering pumps used within the industry today. Regardless of your dewatering needs, EDI is confident that we can get the job done! We will evaluate your project, recommend a solution and eliminate your water.
