## TIME vs MOMENTS

TIME KEEPS GOING, MOMENTS HELP  
TO FREEZE TIME

Listen men, there is no time to waste. Our families need us, our communities need us and this country needs us. There is such an urgency on this time we're in to create moments. Moments that will impact our lives in a way that we cannot contain. I believe God is orchestrating a moment where you will encounter His presence in this

unique setting full of men who struggle, but who are about to be set free, just like me & you! **REGISTER NOW AND PASS IT ON!**
