

Our Vision

The Navarre Area Board of REALTORS® is the leading force for local professionals in the real estate industry

Our Mission

To our REALTOR® members, every reasonable service, product and amenity which will enhance and/or promote their real estate careers

To our neighbors, it's participation, physically and monetarily, in the advancement and promotion of our community

To the public, it's free bi-directional exchange of information related to the conduct of real property sales and real property ownership

Our Strategic Goals

Agents are professional, educated, ethical practitioners of the highest standards in the real estate profession

Brokerages are committed to providing leadership roles in training, professional standards to agents and educating consumers in all areas of real estate

Consumers are informed and confident in utilizing the benefits of REALTOR® services

Government officials support the Assn.'s position on all issues through involvement and support of the membership

Technology to provide cutting edge services with efficient, accurate information

Our Core Standards
