

YEAR 3

HOME LEARNING

Hello Year 3,

We hope that everyone is well. We are missing you all! Here is some work for you to try over the week. Don't worry if you can't complete everything. It is just a guide for you and your adults at home. We look forward to receiving some messages so here are our school email addresses:

louise.glaze@hoppinghill.northants.sch.uk

kirsty.britten@hoppinghill.northants.sch.uk

danielle.nossa@hoppinghill.northants.sch.uk

You could let us know what you've been up to at home, share pictures of your wonderful work or just to say hello!

Stay safe and well,

Mrs Glaze, Miss Britten and Miss Nossa x

Week 27.04.2020

<u>Day</u>	<u>Suggested English</u>	<u>Suggested Maths</u>	<u>Other curriculum</u>
<u>Monday</u>	BBC Bitesize lesson	Homework book	PE
<u>Tuesday</u>	Vocab Ninja	BBC Bitesize lesson	BBC Bitesize lesson Geography
<u>Wednesday</u>	Reading comprehension	White Rose lesson	DT
<u>Thursday</u>	Homework book	Maths Mission Activity	Music
<u>Friday</u>	Bug Club	BBC Bitesize: Challenge of the week	Science

Here is a weekly timetable with a suggestion of the activities you can complete each day. The information and more detail of these activities can be found underneath. Have fun!

YEAR 3

Maths

Your work this week involves:

1. Whiterose hub <https://whiterosemaths.com/homelearning/>. Please choose lessons from a year group that you think will suit your child best.
2. Homework pages: For some of you, this will be pages 42-43 (Money and Time) and for others, 24-25 (Money Problems).
3. BBC Bitesize lessons - <https://www.bbc.co.uk/bitesize/dailylessons> Go to Maths and click on the lesson for **Tuesday 28th April: Subtracting two 3-digit numbers** and look out for the maths challenges. **Friday 1st May: Challenge of the Week.**
4. Maths Mission Activity – see separate sheet. **Question 3 is about Decimals which we haven't covered yet so please miss this out unless you feel you'd like the extra challenge to give it a go.**
5. Please continue to practise your times tables on ttrackstars, urbrainy.com or timestables.co.uk. You may have found a good website yourself so please tell us. **Don't forget to play against your teacher and classmates in the Arena on TTRS. We have now set it up so the whole of Year 3 can battle together! Monday to Friday 10am – 10:30am See you there!**

English

Homework pages: For some of you, this will be pages 42-43 (exclamation marks) and for others, 23-24 (using the “u” and “ur” sounds)

Have a look at Vocab Ninja for daily words. What are the words? Can you look for their definitions? Can you put these words into written or verbal sentences?

<https://www.vocabularyninja.co.uk/word-of-the-day.html>

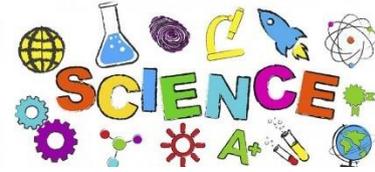

BBC Bitesize lesson - <https://www.bbc.co.uk/bitesize/dailylessons> Click on the English lesson **Monday 27th April: Identifying adverbs.**

Choose 5 of the Year 3 and 4 spelling words and play games to practise them. (Please look for the info sheet on the Year 3 tab of the website for our dice game and the words!)

Bug Club – choose a book that looks interesting to you. Read through it and don't forget to answer the comprehension questions as they appear.

Reading Comprehension – see separate sheet. Please feel free to work with a family member on these questions if you need some support.

YEAR 3

Science

On a sunny day, go outside (this may have to be on your daily walk) and look at the shadows you can see. What do you notice? How do they look? Can you explain how they are formed?

If possible, look at your shadow and measure it – you can use a tape measure or ruler, or you can ask a family member to measure it in steps for you. What do you think will happen to your shadow throughout the day? Do you think it will always be the same length or change length? Why do you think this? Can you find out if you are right?

Geography

<https://www.bbc.co.uk/bitesize/dailylessons> Please click on the link and find Year 3 and click on the geography lesson for this week: **Contours, keys and symbols.**

PE

At home see if you can follow these workouts – have fun!

<https://www.youtube.com/user/thebodycoach1>

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

Supermovers: <https://www.bbc.co.uk/teach/supermovers>

Real PE – link on the website tab for each year group

DT

Over the next few weeks can you complete your own vehicle project? You will need to design your own vehicle, draw it, label it and explain what it is and how it moves. Think back to when we learnt about the chassis, axel and how the wheels could move. Have fun and we look forward to seeing what inventions and designs you come up with!

Music

Listen to your favourite song or piece of music. Can you draw a picture to represent what it makes you think about or how it makes you feel? What instruments can you hear? What is the tempo (speed) of the music?

YEAR 3

Other Challenges

Google Earth challenge. Choose a country anywhere in the world and find it on Google Earth.

Can you find its capital city?

What landmarks can you see?

Can you find a road with a bus on it?

Can you find a school?

Can you find a river?

What else can you find while you are exploring?

Lego Challenge

You enter a contest to build the world's tallest tower. Will you win?

Helping Hand Challenge

Can you help to prepare a meal for your family?

Nature Challenge

Keep a tally of the different creatures you can see out of your window – humans aren't allowed!

New Skill Challenge

Roll up three socks into ball shapes – can you learn to juggle them? Time for how long you can juggle without stopping.
