Vision for Classroom/Relationship with Students:

Matthew 6:33 says: “But seek first His kingdom and His righteousness, and all these things will be given to you as well.” My vision for my students is for them to apply this verse to their lives and academic success will follow. I look forward every day I get to teach. I enjoy it and have fun doing it. So, I want all my students to enjoy and have fun learning.

Testimony:

I have been a Christian for thirty years. I have served God for thirty years but I have not grown in God for thirty years. I went to church every time the church doors were open. I served in every position I was asked to do. I grew in experience but I failed to grow in love and wisdom of my Heavenly Father. After thirteen years of serving God it took a tragic event in my life to change me. My wife left me and my two boys. I had to learn quick how to seek God for love and comfort not just for strength to serve Him. After a while I learned to apply Matthew 6:33 to my life and have a loving child-like relationship with God and not just a servant relationship.
