

Coeur d'Alene Golf Adventure

Coeur d'Alene, Idaho

September 11-17, 2022

Event Details:

Back in 2015 we took the SFGA to Coeur d'Alene, Idaho and it turned out to be one of the best trips we've ever done. We've had quite a few members ask us about returning so we decided to add the Coeur d'Alene Golf Adventure to our event calendar for 2022. We'll stay at the Coeur d'Alene Resort, in quaint downtown Coeur d'Alene, which offers over 100 unique shopping, dining & entertainment venues just steps away from the resort. Coeur d'Alene has become known as the Lakeside Playground of the Pacific Northwest for five star amenities in a stunning natural setting. We are excited to return to this first rate destination.

The Coeur d'Alene Resort is located in northern Idaho, on the north shore of Lake Coeur d'Alene, acclaimed by National Geographic as one of the most beautiful lakes in the world. In the years since their inception in 1986, the Resort has grown into a top travel destination for visitors from near and far and they are proud to be considered one of the very best resorts in the USA. In addition to the world-famous golf course featuring the world's only floating green, amenities include the Coeur d'Alene Resort Spa, convention facilities, a marina, a fitness center and pools, shops, and various restaurants and nightlife—all featuring excellent service, incredible views, and an emphasis on the beautiful natural surroundings.

Our participants should fly into Spokane International Airport(GEG). The airport is about 45 minutes west of Coeur d'Alene and your transfer is included as part of our package. Our members will enjoy their own private balcony overlooking Lake Coeur d'Alene, with wall-to-wall picture windows (and bedside remote controlled curtains) to enjoy the views. You'll also have an oversized bath and dressing room with granite sinks, a separate shower and tub, and a minibar.

Coeur d'Alene's lake view guest rooms have been engineered inside and out with your comfort in mind. All of their rooms feature superior soundproofing, individual ventilation units, elevated beds, sofas, spacious bathrooms, widescreen ultra HD television displays, media players, USB charging outlets, high-speed internet access, and reading chairs. Each room is designed to maximize the spectacular views of Lake Coeur d'Alene and/or surrounding mountains while providing guests with an upscale residential atmosphere.

Among the hotel's five restaurants is Beverly's, an upscale venue serving Northwestern fare with beautiful views of the lake. The adjacent lounge serves wine, and live jazz plays on the weekends. Diners at Cedars restaurant float on the lake while enjoying local classics. Breakfast is available, but is not included with room rates in most packages. The large indoor pool has windows along one wall allowing for plenty of natural light, and huge columns in the water span the length of the pool. Lounge chairs allow for relaxing poolside, and there's a hot tub as well. An outdoor infinity pool by the lake is open during the summer. The

hotel's 6,803-yard, par-71 golf course has a famous floating green and lake views from all 18 holes.

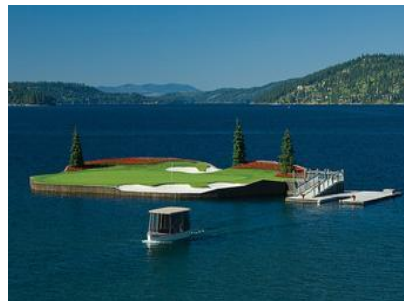

Treatments at the attractive spa focus on Northwestern natural elements such as stones, lavender, spruce, and cedar. Among the treatments are massages, facials, body therapies, and salon services. A lovely relaxation area with a fireplace overlooks the lake. The hotel's roomy fitness center has all of the necessary up-to-date equipment overlooking the indoor pool. If you are interested in exploring the Lake Coeur d'Alene, several cruises are offered. Other activities include biking, water sports, fishing, and hiking excursions. The hotel has its own shopping area and is just steps away from many local shops, restaurants and pubs.

The Golf Courses:

The Coeur d'Alene Resort Golf Course

The Coeur d'Alene is what every resort should be. It's not just upscale, it's posh. You aren't just pampered here, you're spoiled. It's not just an escape, it's an experience... - Golf Digest

It began with a flash of inspiration—a man walking his dog, gazing out at a tugboat towing a raft of logs on Lake Coeur d'Alene had the vision for a golf hole unlike any other. In 1991, the first ball was struck onto the 14th Hole, the world's only Floating Green, and Duane Hagadone's vision was on its way to becoming one of the most memorable icons in golf. The Coeur d'Alene Resort has spared nothing to deliver the ultimate golf experience, once described as "America's Most Beautiful Resort Golf Course" by Golf Digest. As a golfer, your experience begins with a thrilling high-speed ride in a sleek mahogany boat, whisking you

across the waters of Lake Coeur d'Alene to a land of meticulously manicured fairways—and that's just the beginning. Gorgeous lake views on nearly every hole await, with every feature—from hole design to luxury carts and personalized forecaddie service—all expertly curated and attended to.

This is, quite simply, a golf experience like no other.

Circling Raven Golf Course

Circling Raven offers a variety of well planned, thought provoking holes. The course is always in top notch condition from tees to greens. And it is a track where you'll see no houses, so you can enjoy the nature and golf - just as it should be!

Sensitively placed amid 620 rambling acres of lush forested meadows and carefully preserved wetlands of the sun-blessed Coeur d'Alene recreation area, Circling Raven was designed by famed golf course architect Gene Bates to blend with nature, not compete against it. There are certain experiences in golf that can't be measured by a scorecard. The feeling of being the only group on the course, the sighting of a moose near the fifth hole, the joy of watching your drives soar against the backdrop of one of America's premier mountain retreats, all this is yours to experience at Circling Raven Golf Club. Circling Raven features solid holes, a stout challenge, and no gimmicks. Often compared to the Coeur d'Alene Resort due to the close proximity, the courses couldn't be more different. With a drivable par 4, GPS carts, modern clubhouse, split fairway par 4, beautiful scenery and one of the toughest pars 3s you'll ever meet - Circling Raven offers something for everyone. Circling Raven Golf Club

was voted North Idaho's Best Course and a Golf Digest Top 100 Course. Not only is this championship golf course one of the best in the surrounding area, it also offers some of the most scenic beauty. We think our SFGA members will love it!

Non-Golf Activities:

There are countless activities for you to discover at The Coeur d'Alene Resort. From farmers' markets and art exhibits to sunset cruises and food celebrations (check out Gooeys) to world class fishing and outdoor adventure—fun is always right around the corner.

Lake Coeur d'Alene Cruises – Come aboard one of several exciting lake cruises to experience Lake Coeur d'Alene as it is intended to be viewed. These scenic cruises provide opportunities to view secluded lakefront homes of celebrities and sports stars. Visit one of the most unique and challenging golf holes, the world's only floating, movable island green, reachable only by boat. Daily scenic cruises, Sunset Dinner Cruises, Sunday Brunch Cruises and River Cruises along the St. Joe and Spokane River, include informational and historical narration. The Lake Coeur d'Alene Cruise fleet departs daily from The Coeur d'Alene Resort all summer long.

The Coeur d'Alene Resort Spa – Let the stress leave your body and bask in ultimate relaxation. For four consecutive years, The Spa at The Coeur d'Alene, has been ranked one of the top resort spas in America, according to Condé Nast Traveler's Gold List, while MSNBC.com has named it one of the "World's Most Romantic Spas." Experience the Spa for yourself by booking a treatment, service or package.

Coeur d'Alene Resort Fitness Center & Indoor Pool - You don't need to put your workout routine on hold when you book a vacation at The Coeur d'Alene

Resort. Keep on schedule or mix up your weekly activities in our state-of-the-art fitness center. The workout area offers the latest Peloton Exercise Bikes, a world-class indoor cycling studio experience, easily accessible during your stay. The spacious indoor pool is the ideal place for a leisurely swim or heart-pumping laps. Once you're finished, enjoy a relaxing soak in one of our hot tubs. The soothing warm water is the perfect end cap to your workout routine or long day.

Gooney's Dessert Bar – Desserts at the Coeur d'Alene Resort are important, so much so that they opened a Gooney's Dessert Bar. Founders Duane Hagadone and Jerry Jaeger scoured the country to find the best parts of desserts from every corner. Mr. Hagadone came up with the name "Gooney." He explained that every dessert needed to be oversized, gooey and so good, you don't want to put your spoon down. Since the inception, Gooney's has become a North Idaho staple. Some Signature Gooney's, like the Butterfinger Hot Fudge Gooney and the Royal Cheesecake Gooney, have been around for years, and have cemented their place on the menu. These treats are made for sharing, but you won't want to. Gooney's Dessert Bar is located next to the Dockside Restaurant in the main lobby at the Coeur d'Alene Resort.

Shopping & Boutiques at The Coeur d'Alene Resort - The Coeur d'Alene Resort specialty shops and boutiques feature a little something for everyone—whether you're looking for hidden treasures, savory eats, or the perfect holiday shopping gifts. The Resort and surrounding downtown Coeur d'Alene is quaint and charming, with upscale boutiques, souvenir shops, art galleries, and more. After a full day of exploring, you'll love sitting down to an espresso or glass of wine while basking in the natural beauty of the lakeside setting.

The Plaza Resort Shops - Discover the most desirable brands, imaginative presents, and memorable galleries—all under one roof. You'll find stylish yet rugged outdoor apparel from brands like Columbia and Patagonia at Finan McDonald, world-class zipline tours and packages from Timberline Adventures, heirloom jewelry from Memory Lane Gems, and vacation souvenirs at Marketplace Gifts Coeur d'Alene. Before your day ends, indulge in old-fashioned sweets from Mrs. Honeypeeps Sweet Shop or a fire-baked pizza from Tito's Italian Grill & Wine Shop.

Coeur d'Alene Casino - Considered the best in Idaho, offer hours of entertainment on their 60,000-square-foot casino floor featuring 1200 gaming machines, bingo, keno, off-track betting and ongoing monthly promotions for their players to win big. The Coeur d'Alene Tribe has a grand legacy of taking care of its own and helping its neighbors. That, too, has been central through six expansions, creating over 60,000 square feet of gaming space. With more than four times the number of linked progressives compared to other area casinos, their progressive jackpots accrue rapidly to life-changing large max payouts, why would you play anywhere else? The casino offers a complimentary shuttle service from Coeur d'Alene several times a day. For more information call 1 800-523-2464.
