Beef Giveaway

On February 22nd, the Mid Valley Cowbellees gave away roughly 600 pounds of ground beef along with recipe cards and nutrition information to various schools in our region. The beef will be used in cooking programs where students will learn about beef nutrition along with proper cooking and handling. They will have the opportunity to cook the beef in the classroom setting. Special thanks to Pat Shepherd for her efforts to reach out to schools and the many other Cowbellees who assisted with dispersal to teachers.
