Dear Friend of GCT,

As we prepare to enter our 12th Season providing educational, performance, and volunteer opportunities for all ages and abilities year-round such as our Penguin Project (Special Needs Youth Program), we hope we can count on you to contribute.

With your support, Gettysburg Community Theatre has accomplished great things, including our **100 performances** of 2018 with **over 6000 tickets sold**. We were thrilled to help bring both the **State and National Festivals for community theatres** right here to Gettysburg with the American Association of Community Theatre earlier this year, and we also recently renovated **three studios here at GCT to add dance classes** to our educational programming.

There are a few ways to donate this year, but we encourage you to consider the first choice as it would include matching funds for GCT. However, ANY of these three options help GCT's sustainability.

1. **THE GIVING SPREE 2019**
An Annual Event of Adams County Community Foundation
4-7pm November 7th at Gettysburg Middle School. Spree Form and info enclosed. Send back to us with check dated 11/7 or bring along with you to the Spree.
2. Online at www.GettysburgCommunityTheatre.org
3. OR mail the enclosed GCT patron form that can be mailed to us with your check or in person with cash, check, credit card during box office hours 5-8pm Mondays through Thursdays.

Your support will really help our non-profit 501(c)(3) organization cover growing production costs such as royalties that must be paid to publishers, and rentals of specialty costumes and scenery for our volunteer performers. All donors will receive GCT patron benefits.

Please see the enclosed information on the ACCF Giving Spree.
Thank you so much! **EIN# 26-3739889**

Sincerely,

Chad-Alan Carr
Founding Executive/Artistic Director
