

TIM DAUGHTON,
REGIONAL SALES
MANAGER

Tim has been with the Henry M Wood Company since 2012 and has worked in material handling and industrial sales since 2006.

His areas of expertise lie in pneumatics and ergonomic material handling equipment.

He specializes in machine safety, pneumatic systems and complex material handling systems.

A recent project he completed involved a complex 3 story freight lift for a global products manufacturer.

He is a University of Cincinnati graduate with a Bachelors in Operations Management and Entrepreneurship.
