International Imperial Court  
PROCLAMATION

**ON THIS DAY OF JANUARY 1, 2025  
WE PROCLAIM THAT 2025 WILL BE KNOWN AS  
“A YEAR OF ACTIVISM”**

The LGBTQ+ community's fight for full equality is the last civil rights movement of the 21st century. A war waged against our community has been declared by the ultra-right, with over 500 anti-LGBTQ+ bills being introduced in state capitols across America. Let 2025 ignite a renewed commitment to activism and action. Let 2025 become the year that a hate crime against anyone becomes a hate crime against all of us.

The International Imperial Court Council and the National LGBTQ Task Force will join forces to inform and educate our LGBTQ+ communities on plans of action to fight the ultra-right.

**We call on everyone to rise, speak out, and stand up for equality, justice, and positive change for all communities.**

It's time we stop pointing fingers at each other and start extending hands to each other.

**In 2025, the International Imperial Court System says to all:**

**We are never going back in the closet!**
