

# **CURRENT MISSIONARIES AND MISSIONS – WORLD MISSIONS OUTREACH,**

Out of the Desert Ministries

March 2021

Out of the Desert Ministries World Missions Outreach, will from here be referred to as OOTDMWM.

This is the March 2021 Missions Report and just happens to be the First ever of such a Report.

The OOTDMWM does presently Support Monthly the following Missionaries and Missions.

## **1. MARK CRYIL**

Brother Mark is presently living in his home Country of Nigeria. He is living in Suleja Niger State.

Missionary Mark is a very dedicated Missionary working to win souls and establish God's Work in his rural, made up of Millions of People. Here is a latest report from Mark:

**"Author, preacher and teacher, Mark Cyril is the vision pioneer of Cyril Mark World Evangelism.**

The **Cyril Mark World Evangelism** is an independent outreach mission-based ministry conducting **crusade's** and **school of ministry in various communities** in Nigeria and beyond the west African regions into South Africa where his ministry is well received.

Souls have been saved, lives impacted as the gospel was preached with accompanying signs and wonders.

**Mark Cyril is presently running a salient ministry among the youth's** in the town of **Gauraka, a sub community in Suleja, Niger State - Nigeria where he resides with his family.**

Mark runs a mini poultry and a goat ranch to support his family and vision. He has found himself in an exceedingly difficult situation where he must raise food and create a job for himself to support all he is doing. First, he must feed and house his family which is no small task, and then he wants to raise "food Animals" to sell to others to raise funds.

Because of funds Mark has been hindered in doing all his missions work. He works hard at the task, but the obstacles have been great. Below You will find several Pictures of Mark and his Farm. [the place he rents to raise his animals, mainly chickens, and other meat birds, and goats. Between the rental of his house, he also rents the Farm. To mention that Mark has gone out as a Missionary largely without any support, He has found the Task exceedingly difficult.

On top of this, Mark lives in Northern Nigeria where the Muslims are working very diligently against Christians and Christian Churches. He has on some occasions already been enabled by the Lord to escape from possible hurt, even death, for the Cause of Christ.

This Missions Outreach has been led by the Lord to COME UP UNDER THIS WONDERFUL MAN OF GOD AND HIS MISSIONARY WORK. We are as on just now, unable to send much Monthly Support, but we move in Faith to begin Monthly to send funds to enable him to the Work. Plus, we Pray for Him, and His Family that they will be greatly blessed and protected from the enemy in Nigeria.

Several pictures now of Brother Mark, and his "Farm" [where he is raising chickens, turkeys, and goats].

**PRAY for Brother Mark Cyril and his Family and all they are doing to win souls in Nigeria. Please when you pray ask the Lord what He would have you do to help this Missionary work the Works of God, to win Souls in Nigeria.**

## **2. The Voice of the Martyrs - VOM**

**VOM is a very much needed Missions Outreach to Persecuted Christians through practical and spiritual assistance and leading other members of the Body of Christ in fellowship with them.**

**VOM was founded by Richard and Sabina Wurmbrand in 1967.**

**By Giving to the VOM, you will be enabled to GIVE TO THE PERSECUTED CHRISTIANS THEMSELVES because VOM does much more than just talk about them, they Support Them.**
