

COVID-19

*Thank you for helping us make Beachside a welcome retreat
for guests travelling during COVID.*

COVID Policies:

- Beachside follows BC Government recommended cleaning and operating protocols.
- For the safety of our cleaning staff, prior to checkout:
 - If you use the kitchen – please ensure all dishes used are WASHED WITH SOAP, DRIED AND PUT AWAY. Wipe counters and eating areas with the cleaning disinfectant provided;
 - Recycling – please WASH food containers placed in recycling bin. Do not place takeout containers containing food or unwashed liquor/drink containers in the blue bin;
 - Place all used towels in the laundry basket;
 - Leave the bedding in place.
- No guests / visitors with COVID symptoms are permitted on the property.
- Beachside does not permit 'quarantine' stays.
- Be aware that common areas are available to other guests – beach chairs, outdoor handrails, barbecue area, and hot tub – use at your own risk
- Practice social distancing in common areas, AND utilize masks/gloves where appropriate.
- You are required to report any health or safety concerns immediately.
- You are required ask for clarification on any protocol that may cause you concern.

By staying at Beachside you are agreeing:

- *that you understand and will adhere to the above policies;*
- *you attest that you do not have, nor have you experienced COVID-19 symptoms WITHIN THE LAST 14 DAYS: fever, fatigue, dry cough, difficulty breathing;*
- *you have not been exposed to anyone with COVID-19 symptoms or a diagnosis, (family, friends, work colleagues, etc.);*
- *you or your immediate contacts (family members, etc.), have not traveled outside the country WITHIN THE LAST 30 DAYS;*
- *Beachside cannot be held liable for any exposure to COVID-19.*
