Dear Bill and Lori,

I want to Thank you and your staff for making Rylee Ann's 6th birthday party such a memorable event for us and all of her friends. On the Monday following her party, I visited her class at school and was literally accosted by a group of the children who has been to Rylee Ann's MMA party, all of whom exuberantly exclaiming that it was "THE BEST BIRTHDAY PARTY EVER!"

Of course, it was one of the easiest I've ever organized and thrown. From not having to write and mail 25+ invitations, to not having to deal with the after party clean up, I had little more to do than to show up and enjoy the event. Many of the parents commented at how well staffed and organized it was. Rachel, Keryn, Alycia and William did a fabulous job with all of the children, greeting them and their parents as they arrived, getting them signed in and outfitted, and keeping them entertained, engaged and controlled – all seemingly without effort!

It is with ever increasing confidence in your organization that Randy and I continue to bring Rylee Ann to Marietta Martial Arts, watching her grow as she exercises her character and her body by setting and reaching tangible goals. My thanks to you and your staff for a job well done.

Sincerely,
