

Fleeting Fancy

**I've got a girl
Drives a Dodge Dart Swinger
She's real cute
She's a real humdinger**

**Shannon
Something I realized tonight
You just may be
The most wonderful thing in my life**

**I don't want to scare you
But I really need to say
You just may be
The most wonderful thing in my life**

**Shannon
I'll be dreaming of you tonight**
