

## Meeting Minutes for Aug 13th Meeting

Location: Pier 33 Lower Level Yacht Room/Bar

Time: 10:00am

At the meeting Blair Headrick & Dave Ripper introduced themselves to the people that showed up, approx 30 people.

Everyone introduced themselves and told the group what they see at their location on the river. Everybody talked about wake violations and a need for new and more signage.

Everyone agreed that when talking to law enforcement, whether it's the Cheboygan Marine Patrol, Sgt Kennedy or the DNR, that you must be respectful and cooperative.

Blair & Dave told everyone that they needed their support in order to get a bank account, design a website, continue to do mailings, get a P.O. Box and costs to finish achieving our 501( C ) ( 3 ) status.

The meeting lasted until 12:03pm
