

To Our Valued Customer:

As of October 2015, the Arizona Department of Revenue has updated the Arizona Transaction Privilege Tax Forms.

The three most used forms: Form 5000, Form 5000A, Form 5005 are attached, please consult your tax accountant to make sure you are filling out the correct form.

These forms are now valid for one calendar year **ONLY**; please date it for that one year period when you complete your forms. If you choose the 4 year option your form will still expire and we will need an updated copy of your TPT license every year.

All old forms became invalid as of December 31, 2015; we just updated them December 2017, if we don't have the new forms and your certificate expires, you will be charged tax.

To obtain the new and updated forms, or for assistance with selecting the correct form for your company please visit the Arizona Department of Revenue website at:
