Adult Literacy Program is in need of potential students and tutors.

Any adult who would like to learn to read, improve their current reading skills or would like to volunteer to tutor may contact SOAR! Executive Director Adele Bowden-Purlee at soardirector@gmail.com.

Students will be matched with volunteer tutors who will meet with them at their convenience.

Want to tutor? SOAR! conducts regular volunteer training sessions as needed throughout the year.

Community Garden: Breaking Ground
Residents, community officials gather to dedicate site

BEDFORD — The City of Bedford conducted a ribbon cutting and dedication to commemorate Earth Day for its newly relocated Community Garden at Fifth and H streets on April 19.

Bedford Urban Enterprise Association (BUEA) presented the nearly 3-acre site to the city, which has allocated its care to the city parks department.

Live Well Lawrence County and Purdue Extension partnered with the city to ready the site and will assist in its maintenance, according to Bedford Parks Director Barry Jeskewich.

The garden, which was designed by a landscape architect, will feature 10-by-10-foot and 10-by-20-foot plots, handicapped-accessible raised beds, a walking trail, a hoop house, playground, restrooms and shelter house. Water is also available at the garden.

The site should be ready to welcome gardeners by May 13.

BEDFORD — Community members participating in the Bedford Community Garden groundbreaking included (from left) BUEA Board Member Tonya Chastain, Chamber CEO Shance Sizemore, Planning Director Dan Kirk, Council Member Byron Buker, Mayor Shawna Girgis, Council Member Adele Bowden-Purlee, Parks Director Barry Jeskewich, Purdue Extension Wellness Coordinator Rachel Beyer and Business and Community Director Marla Jones.
