

AMENDMENT - Policies & Procedures and Parent Handbook - Additional Registration Policies, Page 6 (September 30, 2025)

Current P&P, Page 6:

d. Additional registration policies:

- v. If a child is deemed to require Provincial Unit Funding (PUF) through Early Intervention Screening, and their parent declines to receive those services, the child will not be allowed to be registered into the preschool program.

Proposed Amendment to P&P:

Items highlighted in GREEN are to be added to the following section on pg. 6 of our Policies & Procedures.

d. Additional registration policies:

- v. Families must understand that our teaching staff may require additional support. If an aide is required to assist their child in class, their support is necessary to conduct our classes. If a child is deemed to require Provincial Unit Funding (PUF) through Early Intervention Screening with our partnered Early Childhood Services team, and their parent or guardian declines to receive those services, the child family may be asked to withdraw their child from our preschool program. ~~will not be allowed to be registered into the preschool program.~~ Without this additional support, it may become increasingly complex for our teaching staff to manage the program alongside other students.
