

AGM 2015

**ANNUAL GENERAL
MEETING**

Strategic Plan 2012-2014

How do we Gauge?

- Ability to retain our donor funding from Packard,
- Ability to secure funding from other agencies including the US Embassy.
- Increased demand for legal services from government and the environment sector,
- Increase in FELA membership
- Membership in national environment technical committees,
- An average of 50 invitations a year including funding support to attend, participate or contribute to national planning sessions, workshops, training and awareness raising for environmentally related matters
- Strengthened partnerships and increased network of support both from government, NGO and the private sector,
- Ability to secure legal consultancies,
- Government accreditation as trainers for lawyers and school students.
