

INTRODUCTION

- ❖ The Indian Nurses Association of South Florida has been playing a pivotal role in the field of healthcare for the past 17 years
- ❖ It encompasses of over 1000 nurses of Indian origin who work in hospitals and institutions in South Florida.
- ❖ The INASF has made its presence felt all over Florida through the organization of many community- oriented charity programs including
 - health fairs& blood drives
 - cultural evenings
 - Sponsorship and educational Seminars
 - Higher Education Counselling
 - Provide C.E credit courses
 - BLS, ACLS, PALS for nurses
- ❖ INASF recognizes and awards nurses who have exhibited outstanding performance and excellence every year
- ❖ INASF commemorates Nurses week by way of arranging ethnic extravaganzas periodically.

ACHIEVEMENTS OF THE ORGANISATION

- ❖ INASF celebrating its 17th Anniversary on Jan 10,2015
- ❖ INASF sponsored the nursing education of 10 BSN students in Kerala who belong to the less privileged sections of society from all ethnic and cultural backgrounds.
- ❖ The Association was successful in establishing January 19th as Indian Nurses Day. The Miami Dade County made the declaration.
- ❖ The INASF is also an altruistic organization, which occasionally holds fundraisers to raise money for charitable causes.
- ❖ INASF has organized health fairs and blood drives as part of a community outreach program to spread awareness regarding healthful living
- ❖ INASF also patronizes Indian culture, dance and music and provides a platform for Indian artists to perform at events organized by the association.
