DESCRIPTION: A Rare Ernie Root designed hunting bow from the early years after Ernie sold his bow designs to Shakespeare. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. No drilled holes. No chips or cracks. There are a couple of small dings near the arrow shelf. No obvious stress lines or crazing. There may be the beginning of a couple of faint stress lines or crazing which **cannot** be felt with your fingernail. Don't know if they are hairline stress or just a pattern of the fiberglass (see pics on last pages). A few minor scratches and scuffs on the limbs. Decals are in mint condition. This is a really nice bow in excellent condition for its age. The bow is as good looking in person as in the pictures.
