

North Central Wisconsin Donate Life, LLC
109 Aspen Grove Ln.
Wausau, WI 54403

Greetings,

We are writing to you on behalf of North Central Wisconsin Donate Life, LLC. North Central Wisconsin Donate Life, LLC (NCWDL) is a non-profit organization established in 2007 with a group of volunteers comprised of organ recipients and donor families. Our mission is to promote organ and tissue donation in the north-central Wisconsin area. NCWDL also provides support to donor families, transplant recipients, those considering transplant or those still on a waiting list, and their families and caregivers. In addition, we offer financial support to Restoring Hope Transplant House in Middleton, WI and UW-Organ & Tissue Donation. Our scholarship fund awards assistance to a local NTC nursing student and a student at Marion High School, where our founder, Ted Gerbig, graduated in 1966.

Planning is well underway for our 5th annual fundraising and awareness event, Ted's Trek. Ted's Trek is a family fun 5k Glow run/walk to be held on Friday evening, August 23 at Dale's Weston Lanes. Ted's Trek is in honor and memory of Ted Gerbig, co-founder of North Central Wisconsin Donate Life. After receiving a life-saving lung transplant in 2003, Ted promoted organ donation everywhere he went. For more information about North Central Wisconsin Donate Life, LLC and Ted's Trek, visit our web page at www.tedstrek.com.

As part of our fundraising efforts, we will be having bucket raffles and silent auction at this event. We are hoping that we can count on you to contribute a raffle or silent auction prize. All prizes are appreciated and we will acknowledge you or your company at our event. We can pick up the donation at your convenience. Contact us by phone, Heidi @ 715-571-9628 or email ncwdonatelife@gmail.com. We hope we can count on your support.

With Gratitude,
NCW-Donate Life, LLC Board Members:
