# THE BUCKHORN SKINNERS NEWSLETTER

---

Ramblings from the substitute scribe:

If you missed the shoot on the 20th of this month then shame on you. We had a great day of shooting, sunny, warm, just an occasional light breeze to keep things somewhat cool.

IF YOU HAVE SEEN THE ABOVE SKINNER PLEASE RETURN HIM TO THE RANGE TO ENGAGE IN SOME FUN ACTIVITIES. HE MAY BE LOST AND DISORIENTED SO APPROACH WITH GUSTO!

Deacon put on a good shoot with his paper targets then some shots at the long gong. Standing Moose (Carl S.) got to feeling the recoil of his rifle on a tender shoulder and decided better judgement was to give it a rest. Louie was feeling the fatigue after a long week working in the sun but continued to shoot and finish the day. Peter was having a quiet day at the west end of the range or else I couldn't hear him bragging or complaining.

THE SKINNERS DO ENJOY THEIR WINTER ACTIVITIES, THIS ACTIVITY IS OUTSIDE OF LARAMIE WITH THE LARAMIE RIVER BLACK POWDER BRIGADE, A CHILI FEED ALWAYS FOLLOWS THE EVENT.

### More Ramblings from the Scribe:

Pete was having a good time at the shoot after working day and most of every evening was ready for some good times. He shot well and couldn't care less what his scores were. Jerry on the other hand was quiet as usual with

his hearing aids out and his ear muffs on. Ron was enjoying his day also and managed to get an occasional good score, must of been having an off day for that to happen.

### Shoot Results:

1st place overall Bloody Muzzle (Ron R.)

2nd place Smokin' Toes (Pete B.)

3rd place. Hawk Dancer (Jerry M.)

### Business Meeting:

Not much in the line of old business.

**New Business:** Hawk Dancer (Jerry M.) presented an idea for an award at the Jean Ezinga Memorial Shoot. He has made a wooden plaque with a shooting statue attached to it and would like to have it laser engraved and finished to present at the next annual Jean Ezinga Memorial Shoot. It was approved by the membership present to proceed.

Bloody Muzzle (Ron R.) stated that the target packs, medallions and shooter numbers are ready for the State Shoot 9/1 through 9/4. Club members are encouraged to attend and shoot and volunteer if you have time.

Gutshot (Darrell K.) states he has some more items for sale from Wounded Wolfs estate if any skinnners are interested in shopping and contributing some coin for any items of interest follow Gutshot after the meeting to his truck and check out the plunder.

Smokin' Toes (Pete B.) wants all that can to campout at Buckfest 10/13 - 10/15. There will be a Potluck dinner Saturday PM but will not have to be a long ago primitive dish as was requested last year. The infamous Smokin' Toes candle shoot will be held in the evening so reframe from the libations until after the shoot if you plan to participate.

The meeting was adjourned and the skinnners headed to check out the possibles.
