We wish all our school age children and their families an incredible 2021-2022 school year with lots of joy and fun filled moments. What an exciting adventure we are beginning together!

Reminders:

Please call or email if your child will be absent due to medical appointments, illness or just time off. Please ensure your child/children has extra set of clothing with labels on them. As the fall weather is approaching soon, proper warm clothing for outdoor time is highly recommended.

We would appreciate if your child could bring in a family photo to add to our family photo boards in our rooms. You can also email it to Susie@harmonycc.ca
