**LESSON TEN – 2 PETER 1**

*Linda Pringle*

**Read 2 Peter 1:1-4** – What has God granted or given to us? We are granted these things through what? What is the outcome from verse 4?

Do you believe that God has given us everything pertaining to life and godliness through the true knowledge of Him? Do you trust Him with your relationships, your daily activities, your finances, your health, and your fun? Do you trust Him with the emotions that are stirred up when an area of your life is out of whack?

**Read 2 Peter 1:5-11** – List the seven qualities we are to add to our faith. Are these qualities increasing in your faith? Circle those that are. Underline those that God is calling you to be more diligent in.

**Read 2 Peter 1:12-15** – Here we see Peter's heart and love to those whom he writes (including us). What is his passion and purpose described in this passage? Read Hebrews 10:24. What should we consider?

**Read 2 Peter 1:16-21** – From the lecture (or your study notes), to what event was Peter referring as an eyewitness? What does Peter encourage us to pay attention to? How does knowing that God's Word is true impact your daily life? Write out Psalm 119:105.
