TRANSFORMING LIVES

DreamBuilder Program is
"THE Proven and Tested
12 Week Success System."

*The Dream-Building tools and principles have,
over the past 30 years, helped thousands of people
all over the world transform their lives.*

*The DreamBuilder Program has also helped me
transform my own life in amazing ways. It is the
GO TO program for those who want to see
amazing transformation in the shortest
period of time.*

In the **DreamBuilder Program** we will be
working together for 12 weeks, focusing on
the 4 stages of Dream-Building which are:

- **Blueprinting**
- **Bridging**
- **Building**
- **Becoming**

*During this program
you will learn....*

1. How to live from your true source of power – which is within you.
2. How to connect more deeply with your passion and your purpose.
3. How to create a conscious vision of health & well-being, relationships, vocation – job/career, time & money freedom and gain the tools to live from possibility to reality.
4. How to overcome your blocks and self-sabotaging behavior.
5. The tools for changing the patterns that don't serve you anymore and install a new "set point" for success in harmony with your dream.
6. A real working understanding of how to create the RESULTS you really want again and again.

We're going to meet once a week

Private Sessions (*One on One*)
We will find a day and time that works
in our schedules

OR

Group Program (*5-10 Participants*)
You will come to my private 'invitation only'
Group Coaching call on the scheduled
day and time.

Our time together every week will give you personal
support, inspiration, motivation and accountability,
which are all required to create
positive change.

This program was actually written and created by my
personal mentor and teacher, Mary Morrissey.
She is how I came to this work. Mary is the founder
and owner of **The Life Mastery Institute**. The Premier
Transformational Coaching Certification Company,
which is where I received my Life Mastery Consultant
Certification. Mary doesn't do private coaching with
clients any longer and the only way to experience
DreamBuilder with a private coach, is to work
with one of her certified coaches like me.
