John Adam Quinones

My name is John Adam Quinones. I am a classically trained violinist. In 1958 I became interested in the violin. By age 15 I was playing with the Civic Youth Orchestra. I performed for Weddings, Anniversaries, Birthday Parties and Candlelight Dinners. I also performed onboard the Queen Elizabeth II Cruise Ship during High Tea.

Music & History

I began developing my program in 1993. Apart from music my interest in history inspired me to combine the two. Join me as I perform a variety of pieces with almost no limits. Musical styles include Irish, Patriotic, Classical, Latin, Broadway Shows, George Gershwin and more. Throughout the show I'll share informational tidbits about the music. The program as a whole takes into account the sounds that make up the music as well as people and circumstances that shaped the songs. My audience is encouraged to actively participate by asking questions and submitting requests. I have performed Music & History over 5,000 times.
