REPORT OF NEUTRAL

A mediation session was held in the above caption matter on March 8, 2017.

The case has not been resolved.

On March 8, 2017, the parties and counsel appeared at the mediation with expressed intentions and settlement authority to resolve the case. Unfortunately, they were unable to reach an agreement. Although the case did not resolve at the initial mediation session, it is the opinion of the neutral that mediation may prove more fruitful at a later date after the case has progressed. The neutral recommends, therefore, that the parties confer with the neutral via telephone about scheduling a follow-up mediation session no later than 90 days from the filing of this Report.
