

# Adventure Light Youth Outreach

We are a faith based youth mentoring organization. It is our goal to prepare our youth for adulthood by providing programs that are interesting and fun! Each member will be encouraged and challenged to develop multiple skill for life.

***Mission Statement: Empowering 14-20 year old young men and women for life! Promote healthy living, self confidence, individual worth, mentoring, character building, leadership and serving others.***

***Motto: Traveling the Globe, Taking the Challenge!***

**Adventure Light Youth**, also referred to as **Alyouth**, has five programmed areas of interest. Keep Reading to find the brief summary of program components and travel experiences!

We are organized to provide 2 groups; ages 14-17yo and 18-20yo, a chance to join us and participate by following these simple guidelines!

~Be willing to adhere to the bylaws of our organization, respect themselves and others, be kind, safe, uphold a responsible lifestyle, participate and become involved!

~Be a friend and a peer mentor. We come from different backgrounds and all have challenges in life. Be understanding and supportive of all peers involved with Alyouth.

~Be open to thinking 'outside of the box', be responsible and be creative, helping to carefully plan, budget and execute all areas of the program, meetings, events, trips and fundraising!

~Anyone, 18 years or older will need to have their background and child abuse clearances. This is standard practice to protect our youth and the program.

~In addition, 13 year olds may participate in fundraising activities to help with upcoming adventures (when they turn 14!). They simply need a parent or guardian present.
