Advertising on the Mediums, Healers and Practitioners page of the Camp Etna website is ONLY available for Etna Spiritualist Association members in **GOOD STANDING** to advertise their holistic and spiritual services to the public. The ESA Board reserves the right to deny inappropriate advertising or remove advertising at any time if the member is no longer in good standing, or in such extreme circumstance that the board votes to do so.

PLEASE NOTE: The following waiver statement will be listed on the Mediums, Healers and Practitioners page to protect ESA, and by advertising on the page, you acknowledge and are agreeing to the waiver as listed below.

WAIVER: Etna Spiritualist Association makes no claims or guarantees of any kind on the accuracy of any medium, healer or practitioner advertising on this page. Readings should not be used for any purpose beyond entertainment. A reading or healing should not be treated as if it is any form of psychological diagnosis, therapy, or treatment. Nor does a reading or healing provide, medical, legal or financial advice. Please consult an appropriate licensed professional if you feel the need for such a service. The camp and its agents are not liable for any direct, indirect, incidental, consequential, or punitive damages arising from your access to or use of services from any of the advertised practitioners.

I hereby acknowledge I have read and agree to the above written waiver. Typed Signatures will be considered electronic signatures and treated in the same manner as a hand signature.
