I, \_\_\_\_\_, have obtained membership with the BARDEN FARM CSA for the 2021 harvest season starting in June, ending in September. I commit to picking up my weekly share in a timely manner. When I am unable to pick-up on my chosen day, I will provide 24 hours' notice in order to avoid wasted food. That week's share will either be forfeited, packed for a different agreed upon day or other arrangements can be made.

As a member of the BARDEN FARM CSA I will receive a weekly share consisting of 4-10 different fresh items. I understand that the variety and quantity of produce I receive depends on growing conditions that vary from season to season and week to week. The risks and benefits of the harvest are shared by both the members and the farmers. By participating in this CSA, I am supporting local growers as well as a healthier society.
