About Arts for Youth Partnerships...

The Lancaster Performing Arts Center Foundation, in partnership with the community and the Lancaster Performing Arts Center (LPAC), provide many inspirational and educational performing arts experiences, all under the umbrella of Arts for Youth.

Arts for Youth Partnerships provide: ticket scholarships, bus funding assistance, artists in schools (outreaches & workshops), master classes and more!

We have learned through feedback from teachers and students alike, that participation in the arts develops creativity, initiates critical thinking, connects learning experience to the real world, provides opportunity for social development and transforms the environment for learning.

Given these responses to the Arts for Youth program, we are excited to continue in our commitment to providing fulfilling and meaningful opportunities to enrich and expand the lives of as many local young people and their families as funding will allow.

Arts for Youth at the Lancaster Performing Arts Center has a lasting impact on the youth of the Antelope Valley. Please take this opportunity and partner with us to change our children's lives.

The LPAC Foundation thanks you for your past and future contributions toward this valuable program.

Sincerely,

R. Steven Derryberry,
LPAC Foundation President

Feedback from the educators...

“Thank you to the Foundation for providing ticket scholarships and transportation grants...made it possible for our students to benefit from and enjoy culture that they may not have experienced otherwise... students were touched by the performance of the classic Of Mice and Men. Several were even inspired to read the book. Thank you for your support of youth and the arts in our community.”

- Teacher, Discovery School, Lancaster

“What a fabulous program! The kids loved it!! Thanks for what you do!”

- Teacher, Desert Rose Elementary, Palmdale

“My students thoroughly enjoyed the performance... most of them had never been to a live performance. They now have a deeper understanding of what it means to attend a live performance, and the etiquette required for such an event. They have a deeper appreciation for the arts now... Thank you for this amazingly wonderful opportunity!”

- Teacher, Lake Los Angeles School, Lake LA

“...the kids enjoyed this show more than any other we’ve been to... they cared about the story and the acting, scenery, lights, video and sound were excellent. Thank you again for letting us attend. It was fabulous!”
