Dropping Off & Picking Up—DOs & DON'Ts

Please follow the established flow of foot traffic upon entering the building. Enter through the bell tower door and proceed down the hallway to your child's classroom.

After signing them in or out please proceed to the playground exit door at the far end of the hallway. This helps to keep the hallway and stairways less congested.

Be sure to visit the La Plata United Methodist Church Food Booth at the Charles County Fair. This year the fair is being held from Thursday, September 11th through Sunday, September 14th.

Monthly Fire Drills

All classes will participate in monthly fire drills throughout the school year. September's drill will be announced ahead of time; however, all remaining monthly drills will happen randomly. The children will quickly learn to quietly line up and exit the building at the direction of their teachers and/or other staff. Depending on the location of your child's classroom, children will exit via the playground door or the bell tower door. If you happen to be dropping off or picking up your child and you hear the fire alarm, please DO NOT enter the building. Wait in your car until the classes have re-entered the school building.

Our school will be participating in a Little Caesars Pizza fundraiser this fall. The fundraiser runs from October 13th to November 12th. It will be a totally virtual and contactless program. More details will be coming soon.

Thank you, in advance, for supporting our program.

Dress Code

Please dress your child appropriately each day for school. Throughout the preschool day your child participates in a variety of activities which could get messy. We will go outside to the playground everyday. Closed-toe shoes are required to be worn by all children.

LIFETOUCH PHOTOGRAPHS

On October 20 & 21 Lifetouch Photography will be here to take photos of the 3' & 4's. Information will come home about this closer to those dates. The fall photo session is focused on individual photos of each child. Class pictures will occur at the spring photo session.

Parking Lot Caution

PLEASE be careful in our parking lot. Children need to be supervised at all times. Use the side-walks when possible when entering and exiting the building.

WEEKDAY CHILDCARE BOARD OF ADVISORS (WCBA)

Our Board of Advisors, meets several times during the school year. There are 9 board members in addition to the church minister and the Director of the preschool. Five of the Board members are church representatives and the other four members are parent representatives. This year's parent representatives from the preschool are Stephanie Rothmann, Shelby Hillman, Jessica Williams and Robyn Sprague. Minutes from these meetings are available if you are interested.
