Biography

Corey "Corby" Rogers, 36, passed away unexpectedly near Davison, Michigan, on May 12, 2025. Born in Saginaw on February 2, 1989, Corey was one of a kind. He had a laugh you could hear across the room and a smile that made people feel instantly at ease. His energy lit up every space he walked into — he had that rare kind of presence that made you feel better just being around him. Corey loved working with his hands. Whether he was under the hood of a car or knee-deep in a project, he was in his element. He believed in hard work, staying busy, and doing things the right way. If you needed help, he showed up — no questions asked. He'll be remembered for his big heart, his contagious laugh, and the way he made people feel like they were always in on the joke. The world feels a little dimmer without him in it — but his love, his stories, and his light will carry on in all of us.
