**Local & Global
Radio
Communication**

SARA

Ham Radio Friends & Fun

Sussex Amateur Radio Association, also known as the SARA Club, is a friendly group of ham radio enthusiasts consisting of FCC licensed radio operators (known as 'Hams') and anyone interested in learning more about their hobby or acquiring a license.

SARA, a 501c (3) non-profit organization, was founded in 1979 and provides VHF and UHF repeaters for use by all Hams, and by Regional Nets, Skywarn, Sussex County Amateur Radio Emergency Service (ARES) and Sussex County Auxiliary Communications organization (AuxComm). While Hams have fun, the best part of SARA is the friendships you make!

Interesting Place for a Winter Field Day!

Did You Know? Amateur Radio ...

- ◆ has been around for more than 100 years
- ◆ is a local and global form of communication
- ◆ doesn't depend on phone or internet capability
- ◆ operates wirelessly
- ◆ can be used anywhere on earth and in space
- ◆ can send email without the internet
- ◆ provides emergency communication as a public service
- ◆ can operate on battery or solar power
- ◆ without a name or number you can talk to people around the world
- ◆ is enjoyed by people from 5 to 105

How to Visit & Join SARA Club

ATTEND A MEETING

You're invited to attend a SARA Club Meeting or event to meet members, discover how to get your HAM Radio FCC license, and learn more about the Club. Just ask the club President, Membership Chair, or any club member.

Meetings are held the third Thursday of each month at Mulligan's Pointe Golf Club, Georgetown, DE.

APPLY FOR MEMBERSHIP

Complete an application for membership by either downloading it from the SARA website or acquire one at the SARA Club meeting. Submit or mail your application with your membership dues.

1 Year Membership -FCC license required \$20

1 Year Associate or student membership \$10
