

Just As Nice Pricing Guide

Pricing is up to the Sellers. This is only a GUIDE, you are not required to price your items according to this list! If you would like your items to sell, price them to sell. Items price well, sell well. Items must be in \$0.01 increments with the minimum price \$2.00.

Mark your items "Discount" if you are going to donate them. This way you can make 50% of your original price vs not selling them!
