Victoria's Popular Crew **Captain Wayne & Chef Barbara Elsworth**

Wayne & Barbara grew up on the shores of the Hudson River, only 150 miles apart but they didn't meet until years later on an island in the Caribbean.

In addition to being an extremely skilled captain, Wayne is an endearing, humorous man with a repository of amazing stories. He's an avid hunter and can be counted on to catch fresh fish, conch or lobster for dinner.

Barbara has a passion for cooking. She was trained in classical French cuisine and masterfully executes a lighter French and Italian menu. Her seafood fare is out of this world.

Wayne & Barbara have been chartering together in the Virgin Islands for 25 years! They delight in sharing with their guests all the best these beautiful islands have to offer.
