WELCOME TO OPPA!.....

Welcome to OPPA!'s Production of Seussical KIDS! This class of amazing kids have been working so hard to bring this show to life on our stage. Together with their dedicated teachers and the Education Department staff they have been working on this show since September. This class is about building a foundation, a place for these kids to grow in their love and knowledge of theatre from.

On Pitch Performing Arts (OPPA!) started just over 7 years ago here in Layton to give a home to theatre in Layton and a place for education in the arts. We believe that through the arts we can help create a better community for our families to live, work and play in. OPPA! is a non-profit run by an amazing staff and board of directors who work everyday to further our mission. We encourage you to take a minute and look through our website and find out how you can help support the arts here in our community.

Seussical Kids would not be possible without the support of many amazing people. The Production staff worked tirelessly to ensure that this show brings joy to you and your family. We could not have done this show without the support of that amazing staff, the staff at OPPA!, and the amazing people you are about to see on stage.

We would like to thank Layton High School, Rachel Helwig, First Community Bank, The Sorenson Legacy Foundation, and all our community partners for their generous support of this show and our 2022 season.

Please take a moment to look at our upcoming shows and get tickets or better yet get season tickets to our amazing 2023 season full of shows that will for sure keep you coming back for more. The last few years have been something of an eye opening for all of us and one thing I know for sure is theatre matters and is needed in our world and community right now.

Now as you enjoy the show please turn off those phones, and escape with us to a beautiful world, listen to the music, enjoy the story, but most of all relax and enjoy live theatre at a time when we need it most.

Sending love

DIRECTOR'S NOTE

Thank you for joining us! After many months of hard work and practicing, we could not be more excited to present this show to you. A big goal of children's theatre is to help them learn valuable skills, both for theatre and their everyday life. I am so proud of how much these kids have grown and mastered during this class. Parents, thank you for sharing your children with us. We, as teachers, have learned so much from them. This group is so loving, hopeful, independent, and helpful. These are all themes that I hope you can see shine in this production. Students, you are all so unique and special. You are all going to do amazing things. Thank you for all you have given me these past few months. To all in attendance, thank you for your support of this wonderful theatre. We are so grateful that you are here and hope to see you again. I hope that you enjoy this amazing show!

Kennedy Miller
