

THE SERPENTS OF JERUSALEM

In this way, He disarmed the spiritual rulers and authorities. He shamed them publicly by His victory over them on the Cross. – Colossians 2:15

במעשה זה שלל אלוהים מהשטן את האפשרות להאשימנו בחטא, והציג לראווה לכל העולם את נצחונו של המשיח על הצלב, אשר בו נמחקו כל חטאינו ולא נותר להם זכר. ¹⁵אגרת פולוס השליח אל-הקולוסי 2:15
إِذْ جَرَّدَ دَوَى الْقُوَّةِ وَالسُّلْطَةِ فِي الْعَالَمِ الرُّوحِيِّ مِنْ أَسْلِحَتِهِمْ، وَأَظْهَرَ هُزِيمَتَهُمْ أَمَامَ الْعَالَمِ، مُنْقَصِرًا عَلَيْهِمْ بِالصَّلِيبِ. ¹⁵كولوسي 2:15

Luciferian Ley-Lines Satanic Mt. Zion - Occupied

This depiction shows the greater Jerusalem city ley-lines. The focal points are taken from the alleged Garden Tomb and Mt. Calvary. The subsequent pyramid and hexagram patterns with snakes encompass the whole of the city. Interestingly, from the Knesset, there exists a coefficient of 153 that both are linked Calvary and the Tomb. This portion of the city did not exist in Jesus' day of Crucifixion but those that rule the ley-lines configured such Luciferian geometry to replicate the Great Pyramid of Giza with its Ascending and Descending passages.

Several snakes or dragons are placed in prominent geometry as to highlight the All-Seeing of Lucifer who is depicted as the Eye of Sauron between the pentagram upheld as it is looking down the angle of the 'pyramid'. There are 2 snakes that are touching each other as if to devour the one as in the Ouroboros.

From the 90 degree rotation of the city's orientation, the place of the Crucifixion is in direct line with the Garden Tomb and nearly bisects the Eye of Sauron down the center half of this grand pyramid geometry. There is a secondary configuration that is lightly larger that when superimposed directly matches the Great Pyramid's alignments.

The Luciferians that seek to establish their Earthly Zion have attempted to demark the sacred areas conquered by Messiah Jesus at the Cross of Calvary. This is depicted by the upside down Serpent at the foot of the Cross.
